

WHO WE ARE:

Friends of Interstate and Straight Lake Parks is a nonprofit 501(c)(3) organization established in 1984. We are a dedicated group of volunteers working in partnership with park staff and the Wisconsin DNR to support recreation, education, and the preservation of natural resources within our parks. Together, we ensure that Interstate and Straight Lake State Parks remain places of discovery, adventure, and conservation for future generations.

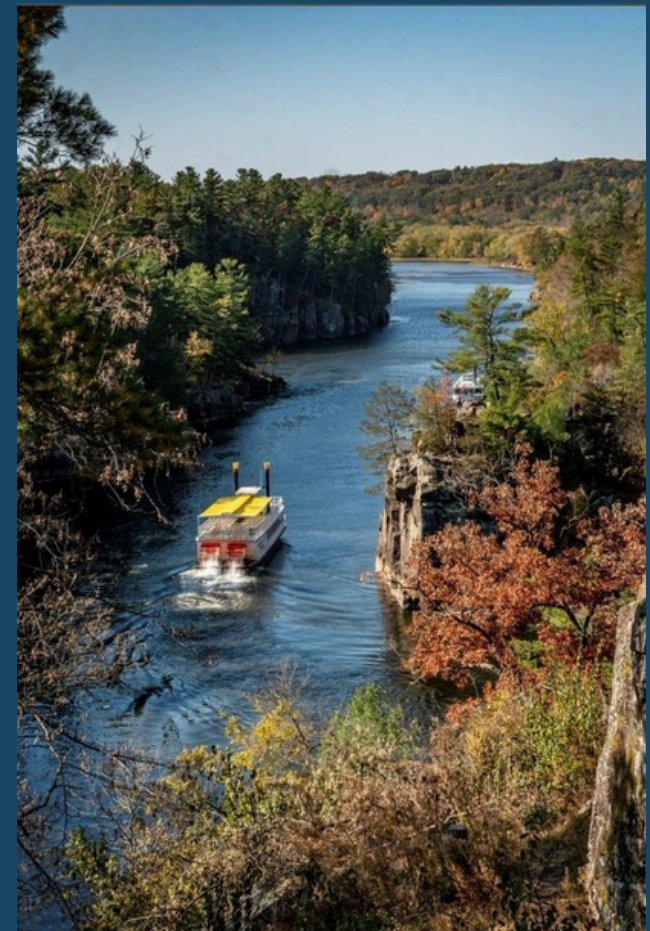

FRIENDS OF
Interstate and Straight Lake State Parks

OUR MISSION

Your support helps fund the park's naturalist program and provide ongoing support for the infrastructure within the Parks. These efforts will help increase public awareness and appreciation of the park's natural and cultural history.

Working Together

The Friends of Interstate and Straight Lake Parks play a vital role in supporting and enhancing the visitor experience at our parks. Through generous donations and dedicated volunteer efforts, they help ensure that families can enjoy the parks in meaningful ways by:

- Organizing and staffing special events
- Assisting with educational and interpretive programs
- Promoting, preserving and developing natural park areas
- Increasing public awareness about legislation and issues that affect our parks
- Your membership dues provide funding for these services and volunteers provide the time, talent, and ideas to make the parks-people connection work!
